“To Inspire Learning for Life”

11 JUNE 2018

NEW CLASS

Last week, we commenced a new year 5/6 class and I am pleased to report that this has all gone very smoothly. This came about due to an increase in our enrolments since the start of the year (about 14 new students), which enabled us to negotiate additional funds for staff through to the end of the year. Excitingly, no class in our school now has more than 24 students and we feel this will greatly support our students, staff and the programs we are implementing. We welcome Miss Sherrena Di Marco as our third year 5/6 class teacher. Miss Di Marco is well known to many of you as she has done quite a bit of work here as a relief teacher in the past.

LIFE LONG HABITS

One of the key aims of school is to prepare students for productive lives. This includes developing in them habits which will ensure they are always showing themselves in a positive light in our community. One habit we need to work together to reinforce is that of punctuality and attendance at school. We often talk of the importance of attendance, however arriving at school on time is also very important. Employers would not tolerate constant lateness of their workers and would simply fire them and we therefore seek the support of parents to reinforce this message, even when the weather is getting colder.

NATURE PLAY STAGE 2

The School Board met on May 28 and discussed planning for the second stage of our Nature Play project. This stage will see the establishment of activities in the Junior area of the school and we look forward to providing opportunities for members of our school community to assist in the project, as was the case with stage one. We will send out separate information, so please keep an eye out for an opportunity to be involved in a fun project to benefit our current and future students.

SCITECH MATHS MURDER MYSTERY

It was wonderful to see so many families enjoying our special Maths Murder Mystery last week. It showed just how much fun maths can be and the friendly competition between families was exciting. Scitech and Alcoa are great partners in this project which sees extension and enrichment activities running across the year. There are other exciting family events planned for later in the year, so keep an ear out for more details in the future. Many thanks to our wonderful P&C who ensured everyone was well fed prior to the event.

Darrin Tinley

BOOKCLUB

Thank you to Sharon Larking for your help and support and time given to our school to help with the Scholastic Book Club and welcome to Brooke Donohue who is going to support our wonderful volunteer Meg Germon. Thank you!

P & C NEWS & EVENTS

SCHOOL UNIFORM SHOP OPEN HOURS

Tuesday: 2.30pm - 3.00pm

Friday: 8.30am - 9.00am

If you cannot make these times you can fill out an order form, with payment, and leave it in the office.

Sorry No EFTPOS for uniform purchases

**SCHOOL BANKING – EACH FRIDAY
MORNING 8.00am to 8:30pm – New
bankers welcome to join.**

Every little bit of money deposited will help save some funds for the future. Just drop your dollarmite deposit book into the letterbox at the admin office to be collected if you are unable to make it on the Friday mornings. The school also benefits from all the deposits.

5cent drive - FUNDRAISING JARS

Don't forget about the 5cent drive and the jars inside your classroom. The jars will remain in the classrooms for this Term for students to put their 5cent coins in. All money raised will go to the SWAN (South West Autism Network). The jars will be removed and counted on the 27th June. The classroom with the most money raised will win a prize.

BAKERS DELIGHT FUNDRAISER

Australind P & C has signed the school up with Bakers Delight Treendale "Raising for Dough" for the school.

Every time you buy an item at Bakers Delight in Treendale, ask to have it added to the schools tally. At the end of the year 5% of the total amount spent will go straight to the school. Please spread the word to family and friends. Every little bit helps.

SCHOOL CONTRIBUTIONS

Many thanks to those who have already paid their contributions, we currently have **30%** paid. I am sure everyone in our school community is aware of the issues associated with funding for schools. For this reason, it is now even more critical for the school to receive a high percentage of the requested contributions. Our Office has **EFTPOS facilities and Direct Debit** contact the office for the Bank Account details, should that be more convenient. Please help us to provide the best level of education by paying as soon as possible.

School Contributions for 2017	\$50.00 per child
School Chaplain Contributions	\$ 5.00 per child
P & C Contributions	\$ 1.00 per adult
