NEWS FROM THE PRINCIPAL

We have had a tremendous start to the new school year and I have been most pleased with the way our students have settled into their new classes. Teachers report that in general student behaviour, attendance and attitude and effort to their work is very good. We are set for a terrific year.

P&C ASSOCIATION - 2020 START WITH A BANG

The P&C Annual General Meeting was held this week and I am pleased to announce our Office Bearers are *Heidi Mainwaring (President)*, *Dane Greenstreet (Vice President)*, *Paul Martin (Treasurer)* and *Angela Greenstreet (Secretary)*. We really look forward to working with these and other Committee members for the benefit of all students in our school. At the AGM the Committee got straight to work and have already approved funds to support special activities within the School. The first allocation of \$1500 is to support our Advanced Standing, Good Standing and other positive behaviour activities for the year. These strategies have really supported our school culture and these funds will help to ensure we can keep the momentum going. The second allocation, also of \$1500 is going to towards our Whole of School programmes (e.g. Soundwaves, VCOP and Big Write, You Can Do It! etc.) This funding will allow us to do some of the extra things we could otherwise not afford to do and will keep the momentum in this area going also. We wish the P&C a fantastic year and appreciate the enthusiasm already on show.

MONEY MATTERS

Schools get by on minimal funds and we very much appreciate those families who have already paid their contributions and Chaplaincy support for 2020. Every little bit counts in our quest to do great things for our students. You can use direct debit or visit our office. We do have eftpos available if that suits.

Our Bank details are:

CHANGE OF DETAILS

It is vitally important that our Office has up to date contact details and any details in relation to court matters etc. This ensures we can contact parents in the case of emergency and support our students as best as possible.

SCHOOL UNIFORM

I would like to thank parents for supporting their children to wear the correct school uniform from the start of the year. It is important students feel a sense of belonging and unity and the uniform assists this greatly. All items are available from our Uniform Shop at very reasonable prices given the quality of the products. I want to specifically mention that the wearing of hoodies is not acceptable, so please don't buy these in the lead up to winter for wearing to School. Also, it is expected that students will have the School's approved hat for break time, sporting activities etc. Once again, thanks for the support to date this year.

Regards

Darrin Tinley Principal
