NEW DEPUTY PRINCIPAL

The process for selecting our new Deputy Principal is now under way, with many high quality applications received by the closing date, which was last Monday. We are now going through the selection process and feel we are on track to have the new person commence at the start of next term. Miss Truss tells me she is missing us all, but already enjoying her new challenge at Amaroo PS.

NATURE PLAY CONSTRUCTION

Our Nature Play subcommittee has been working hard in the background on this project and the construction of the first major playground is about to start. The School Board and P&C Members require support from the school community. This support can be in a number of ways; including hands on help in the construction of the Nature Play areas, donation of the required materials, lending of equipment, donation of BBQ food, cooks on the construction days and donations of transport requirements for picking up and dropping off materials.

The plan is to commence construction of the first area, located below the senior cluster building, on Saturday the 9th September and Sunday the 10th. The aim is to complete as much of the construction as possible over these two days. If we don't finish, another day will be nominated.

If you can help with any of the items or would like to discuss the project, please email Gavin Prime (surfseek@yahoo.com.au) Gavin will keep track of the responses and communicate with everyone who makes contact.

- Medium Size Logs (2-5meters in length and 100mm - 300mm in diameter)
- Mulch (Soft Fall) for the ground cover
- Rigging, turnbuckles, straining equipment for the wire rope activities (Stainless)
- Fasteners and Steel strapping (Galvanized)
- Quality lashing material for the Tyre climb
- Labour - The more hands we have on deck the quicker our kids get to play!
- Bobcat - Mini Excavator
- 6-8 Wheeler truck (or any suitable transport equipment) for the pick-up of materials on Friday 8th (or when convenient)

We really look forward to the day our students can enjoy the new facilities, which will be a wonderful addition to the cubbies they continue to enjoy.

SWIMMING

Our in – term swimming program starts next Monday and runs for two weeks. Unless there are exceptional circumstances, we anticipate all students will participate in the lessons. We have a wonderful coastal environment and being able to swim is a basic necessity for children. We want them to feel confident in and around the water and, as parents, we all want to know our children are safe.
