MESSAGE FROM THE PRINCIPAL

CLASS REQUESTS FOR 2021

Our planning for the 2021 school year is underway and parents are now invited to provide information which may influence their child's class placement in 2021. We cannot guarantee we can satisfy every request, but we will certainly endeavour to do so. Parent requests must be provided in writing and be addressed to me.

LEAVING AUSTRALIND PS?

Are your children attending Australind PS in 2021? If not, please advise our Office at your earliest convenience as it is vital for our planning purposes that we have the correct number of students who will attend in 2021.
